Step 5

Once you've activated your account, login with your e-mail and password.

The screenshot displays the website interface for **idee.it** (Italiano - digitale - edizioni - editing). The top navigation bar includes links for **HOME**, **WHY I-D-E-E**, **DISCOVER**, **RESOURCES**, and **ABOUT US**. A **Log in** button is highlighted in the top right corner. Below the navigation bar, a large banner image shows a chalkboard with the letters "abc" written on it. A modal window titled "Log in" is overlaid on the right side of the page, containing the following elements:

- Two input fields: the first with a user icon (for email) and the second with a key icon (for password).
- A **Forgot Password?** link.
- Two buttons: a red **Cancel** button and a blue **Log in** button.

At the bottom of the page, there is a promotional banner with the text "The new version of i-d-e-e is online!" and a **Previous news** button.

Step 6

Welcome to your dashboard!

The screenshot shows a student dashboard for 'i-d-e-e.it'. The top navigation bar includes 'Student Environment', 'Italiano', and 'Nome dello studente'. The main content area is titled 'Nuovo Progetto italiano 1 eser - Workbook' with a timer showing 'Time left h 69:52'. A red notification banner at the top right says 'You do not have class code?'. The dashboard is divided into sections: 'Last exercises done', 'Assignments', and 'Tests'. The 'Tests' section shows 'No Records!' and a table with a header 'Title' and a '%' column. A settings icon is visible in the top right corner. Two callout boxes provide instructions: one points to the 'You do not have class code?' message, and the other points to the user's profile name 'Nome dello studente'.

In this space you must insert the **Class code** that your teacher or school will create and give you. When you enter the code, you will automatically be put in your class. Even if your **Class code** is not yet available, you will still be able to access the platform (workbook, tools etc.), but not the materials created by your teacher (tests, games, blogs and so on), nor receive messages, assignments etc.

Click on your **Profile** if you wish to update your e-mail and/or password.

Step 7

That's how the Dashboard will look like after inserting your Class code: you will find the last exercises and tests you did and the messages/assignments you got from your teacher/school.

The screenshot displays the i-d-e.it student dashboard. The top navigation bar includes the logo 'i-d-e.it', a menu icon, and the text 'Student Environment Italiano Nome dello stud'. Below the navigation bar, the main content area is titled 'Nuovo Progetto Italiano 1 eser - Workbook Time left h 66:28' and 'Class : ITA 1 > Tuesday, 14 July 2015'. The dashboard is divided into several sections:

- Left Sidebar:** Contains navigation links: Dashboard, Resources, Class Page (highlighted with a red circle and a red notification badge), Tools, and Help.
- Dashboard:** Features a 'Last exercises done' section with a card for 'Nuovo Progetto italiano 1 unità-test-02: B A' and a 'Workbook' button.
- Tests:** A table showing test results with columns for Title and %.
- Assignments:** A section titled 'Assignments' with an 'All assignments' button.
- Messages:** A section titled 'Messages' showing two messages from 'Prof. Marco'.

A callout box points to the 'Class Page' link in the sidebar, containing the following text:

Click on **Class page** to find resources that your teacher or school may create and share. The number in red indicates notifications about new tests, games or blogs.
